## IN THE NEXT ISSUE

Your Humble Editor has been asked, in light of the Flash's new bi-monthly format, as to whether we will continue a number of features, such as the annual Image of the Year and the summer TKD Kids' Art Contest. The answer is that we do know about the former, don't know about the latter. The Executive Editorial Board has authorized the Image of the Year for 2020, to be published in the January-February issue. We'll

look forward to it. We appreciate your readership, distribution, and contributions.

On October 16 Master **Anthony Giese** taught the USTF Ho Sin Sool course in Casper, Wyoming at **Steel Dragon Taekwon-Do** which meets at the National Guard Armory.

We had great support from our Wyoming Instructors and Students with 43 people attending. As usual Master Giese taught a very informational and professional seminar with excellent techniques and a lot of student participation. Most of us were pretty tired but way excited for the information. Mr. **Jordan McDill** and Mr. **Jeremiah Feser** were his main assistants and they did a great job.

Also included was continuous 3 step sparring. Senior Master Pettijohn's interactive style kept us moving.

Social distancing and masks did not prevent us from learning the various foot placements and techniques. Our organization is so fortunate to have so many family members involved. This allowed us to have two

and able to be in close contact within their family and "Non Bubble Group" who maintained a minimum 6 foot distancing. All students expressed how much fun they had as well as learning A LOT! Seeing Taekwon-Do friends some of whom we have not seen for a while is always an added bonus. A USTF Referee Seminar held at **Sereff Taekwon-Do** was conducted in Broomfield, Colorado, on November 6. Grand Master **Renee'Sereff** hosted and Grand Master **Kirk Steadman** instructed this course. Special thanks to Master **Jeremy Bennett** from Mississippi for bringing his students! With COVID restricting our sparring and tournaments, we all needed the update and practice! As the 2021 year comes to an end, many students have not had the opportunity to attend many events and we were happy to be able to offer the course this year! We are all looking forward to 2022 where we can hopefully operate our courses without restriction!

After two years and two cancellations due to COVID and restricted travel, 14 out of 20 of our original travelers made their way to South Africa for the long-awaited USTF Mafigeni Safari. (The rest of the group opted to go in 2022 if the stars align.) Activities included the Elephant Sanctuary, Predator Ridge, Crocodiles, and two days in Kruger National Park. Look up Mafigeni Safari’s website and you will see the wonderful place we visited. The first USTF Safari, but we hope not the last! To the left top, the
